Hey Ines,

Since this is your last week with us at Arkadium, I just wanted to send along a BIG thank you! It's been so lovely getting to work with you and just how intricate you have been to the success of our team over the last year! You pick up things so quickly and are incredibly smart and nice and you will be so missed!

Please don't be a stranger so if you ever need anything please reach out and I hope our paths cross again!

All the best,
